

Liam Reilly

Greensburg, PA · 17 years old · Meteorite LLC

kingliamreilly@icloud.com
github.com/liamreillypublic
huzzahsocial.com

iPhone and web developer. Three apps on the App Store, all built solo. Looking for internships and jobs in software or security; available for web design work.

SHIPPED APPS

Huzzah iOS · Web · Swift, SwiftUI · huzzahsocial.com	Daily photo-prompt social app: one prompt, one shot, feed locked until you post. Built the app, backend, and launch site; shipped August 2026.
VoteVerse iOS · Swift, SwiftUI · App Store	Social voting and prediction game with friend lobbies, streaks, and a store. Firebase auth, cloud functions, and database rules.
Celebalike iOS · Swift, SwiftUI · App Store	Celebrity look-alike from a selfie, with a match percentage. Face matching against a TMDB-sourced set; StoreKit subscription.

SELECTED PROJECTS

TotalSecurity macOS · Swift, SwiftUI	Privacy hardening for the Mac. Ten modules, one button.
Troop 416 iOS · Swift, SwiftUI	An app for my Scout troop.
MeshAlert Android · iOS · Kotlin, Swift	Alerts and chat over Bluetooth, no internet needed.
LiDARMap iOS · Swift, ARKit	Scan a room. Walk around the mesh.
Teach Me Space Web · JavaScript, Stripe	Bite-sized space lessons, missions, and stargazing tools.
GrassBusters LLC Web · Next.js, React	A business site, built and maintained.
